¹To find the difference, subtract the single premium from the family premium.

²To the cost per person, divide the difference by the total number of people covered by the family plan, excluding this parent.

³The children for whom support is being determined.

⁴The cost to add the children is the cost per person multiplied by the number of children in this case.

⁵See Rule 9.12(4) Guidelines.

⁶Compare the parent's reasonable cost to the cost to add the children.

⁷The parents must consent or not object. See §252E.1A(3)(a)(2) Iowa Code.

⁸If the payee has the children enrolled in HAWK-I, cash medical support, if ordered, is limited to the HAWK-I premium under Rule 9.12(3) Guidelines.

⁹Cash medical support may not be ordered; order to provide a plan if available at no cost. See §252E.1A(3) Iowa Code.

¹⁰These children must be children to whom the parent has a legal obligation; see §252E.2A(4) Iowa Code and Rule 9.7 Guidelines.

¹¹Cash medical support may not be ordered; order to provide a plan if available at no cost. See §252E.1A(4)(a) Iowa Code, Rule 9.12(2), and Area A of the Medical Support Table in Rule 9.12(4) Guidelines.

¹²Cash medical support may not be ordered; order to provide a plan if available at reasonable cost. See §252E.1A(4)(b) Iowa Code.
